

**Searchable listing of every name found in  
Hamilton County, Ohio, Wills 1791-1850**

Abstracted by JoAnn Riley McKey

Read the wills at– <http://www.probatect.org/courtrecordsarchive/bukwills.aspx?que=25Z505Zwillrecord>

Researchers should search for every conceivable variant of a name—those who wrote the wills were quite creative that way. For example, one individual, whose name must have been Oliver, was listed as Allover in his benefactor's will. Names also may have suffered in their translation from German or because of marginally legible handwriting. When names appeared with multiple spellings, the different variants were noted in this list. The names of court officials (judges, clerks, etc) are not included in these abstracts.
